### Why attend?

Burlington is conducting a Housing Needs Assessment to better understand the town's housing goals and challenges. At the townwide forum, MAPC will present the data findings as well as takeaways from recent focus groups. Forum attendees will have an **opportunity to share experiences and insights** to inform the final Housing Needs Assessment report. The report will help create an equitable path forward for housing in Burlington.

The Metropolitan Area Planning Council (MAPC) is working with the Town of Burlington on this project.
