### MINUTES

Discussed the FY23 Conservation Budget. The only increases in the budget are step increases in full time and part time salaries and an increase in hours for land management summer help necessitated by an increased use of conservation areas during the pandemic. Note that a cost-of-living increase for salaries is not part of this budget since town contracts have not been negotiated at this time. The budget request is for \$282,362 which is an increase of \$5,884 or 2.13%.

*Vote:* 2-0 in support.
