### MINUTES

Discussed Warrant Article #29: Sculpture Park. This article is a request for \$20,000 to be spent on maintenance and improvements of the Town of Burlington Sculpture Park. The money will be put toward three separate uses. The first is the most urgent. There are five sculptures in the park that were leased for two years during the summer of 2020. The plan is to enter into new two-year leases at \$2,500 per sculpture. The second use is to purchase a new sculpture estimated at \$9,000. And the final use is to add ADA compliant walkways at the park at an estimated cost of \$10,000. While the total cost of these projects comes to \$31,500, the Burlington Sculpture Park Committee currently has \$16,861 in donations. Those funds in addition to the requested amount would be sufficient to cover costs as well as contingencies.

Vote on Article #29 – 2-0 in support.
