On July 6, 2015, the RP reports that two bushes that are on their property and approximately two feet from the property line, appear to have been burned by some type of chemical and are now dying. The RP states that this is the second time this has occurred where they have had to replace bushes

as well as parts of their lawn that sustained similar damage in the past. RP believes their neighbor, a resident of #17 Chandler Rd may be responsible as they have been involved in a long term dispute and have been harassed over approximately the last ten years by their neighbors at #17 Chandler Rd. Same would like incident logged for now.
