Subject left an angry message with regard to snow removal efforts and the snow being pushed onto his property into his bushes by a town hired snow plow. Although message was left in a loud threatening tone, no actual threat of violence was made.

Officer followed up with caller and matter will be settled by caller filing a snow plow damage claim. There is snow pushed up against the caller's bushes, but it is not known where the actual property line falls with regard to the private property and public property.
