

To View the details of your operational permit(s) outside of the renewal window, follow the below steps to view the details and add additional attachments. There are a few different ways to get to the same page to view your permit/inspection details.

Option 1 (Renewals):

1. After logging in, click on the tab called “My Work” where you went to submit your renewal. If you have recently renewed or you are not within the renewal timeframe, you will not see the blue renewal button under the renewal header. However, you may see two tabs named “My Existing Inspections” and “Operational Permits”.

The screenshot shows the 'My Work' dashboard. At the top is a navigation bar with links: Home, Dashboard, Apply, My Work (highlighted with a red box), Map, Report, Search, and Calendar. Below the navigation bar, there are two tabs: 'MY EXISTING INSPECTIONS' and 'OPERATIONAL PERMITS' (both highlighted with red boxes). Below the tabs is a search bar and an 'Export to Excel' button. A table lists permits with columns: Permit Number, Renew, Name, Address, Status, Type, and Applied Date. One permit is listed: TOB-000000-2025, Test Business, 61 Center Street, Active, (Burlington) Tobacco & Vape..., 11/14/2024.

Permit Number	Renew	Name	Address	Status	Type	Applied Date
TOB-000000-2025		Test Business	61 Center Street	Active	(Burlington) Tobacco & Vape...	11/14/2024

2. Click on the linked “Permit Number” or “Inspection Number” that you desire to view. It will bring you to a new page where you will see all the details of your permit or inspection. You can click through the tabs under the light blue details box to view different aspects of your permit. Most of the information will not be editable, except for the button labeled “Attachments”. Here is where you can upload any additional attachments or attachments that needed to be resubmitted. You will also see a copy of your permit appear in this tab once it is issued.

The screenshot shows the 'Operational Permit Details' page. At the top are links: Operational Permit Details | Tab Elements | Main Menu. Below is a light blue box containing details for the permit: Type: (Burlington) Tobacco & Vape Product Sales, District: BURLINGTON, Applied Date: 11/14/2024, Account Number, Issued By: Courtemanche, Sarah, Period Start Date: 03/05/2025, Status: Active, Risk: Inspection Frequency 1x, Expiration Date: 12/31/2025, and Description. Below the details box is a row of tabs: Business, Locations, Fees, Inspections, Attachments (highlighted with a red box), Contacts, Classifications, and More Info. Below the tabs are links: Attachments | Next Tab | License Details | Main Menu. At the bottom is a blue modal box titled 'Add Attachment' with a plus sign icon and text: 'click or drag files', 'Add Attachment', and 'Supported: .pdf, .jpg, .png, .jpeg, .gif, .tiff, .doc, .docx, .xls, .xlsx, .text, .dwg, .zip, .csv, .rtf, .dxf...'.

Option 2 (Renewals):

1. After logging in, click on the tab called "Dashboard". If you click on "View My Inspections" or "View My Licenses", you will be brought to the "My Work" tab. If you click on this, follow the steps listed in Option 1 to get to the Permit/Inspection Details page. If you see a linked inspection listed under the closed column of "My Inspections" box, you can click on that link to go directly to the inspection details page. The same goes for the box(es) listed under "My Licenses", click on the linked permit number that is to the right of "No."
